Comments: Church Building - Humble This well-maintained, Humble area church facility is well equipped to accommodate your growing congregation. There is a gym/fellowship area and a kitchen; all kitchen appliances will remain with the property. The facility has a pastor's office with a full bath and young people will love the 20' x 50' Teen Room. The structure of the building would allow a second floor to be added for additional classrooms or to permit relocation of the classrooms currently housed in the gym/fellowship area. Also, there is plenty of space for a new sanctuary to be built on the property to accommodate your congregation as it continues to grow. The facility was constructed with several energy efficient features including zoned air conditioners and energy efficient 277 commercial lights in the gym.
